## RELEVANT EXPERIENCE

### UNICEF USA

Houston, TX

Community Engagement Intern

May 2020 – May 2021

- Created and hosted a series of 15 virtual events to encourage community, positivity, creativity, and understanding during times of great isolation and uncertainty due to the COVID-19 pandemic
- Authored 4 blog posts featured on the [UNICEF USA website](#) and 1 letter to the editor featured in the [Houston Chronicle](#) and the [San Antonio Express](#) about the Keeping Girls in School Act
- Participated in 20+ organization-wide training sessions covering topics such as water sanitation, hygiene, health, advocacy, and the impact of COVID-19 on children, among many others
- Organized and led 23 meetings with U.S. Congressional offices and their constituents across 4 states to advocate for children's rights both nationally and internationally

### Illinois Campus Threat Assessment Team Study

Chicago, IL

Research Assistant

March 2020 – March 2021

- Outreached to 177 secondary education institutions across the state of Illinois to determine the status of threat assessment on their campuses and secure contact information for research survey distribution
- Modeled research data based on the existing threat assessment literature into a report consisting of 25 easy-to-read tables and paragraph descriptions of the research findings

### The Children's Museum of Houston

Houston, TX

ExxonMobil Community Summer Jobs Program Intern

June 2019 – August 2019

- Managed 8 sessions of the weekly Kids' Lab series by testing science experiments, updating supplies and inventory, coordinating with and scheduling museum staff, and hosting the event for museum visitors
- Collaborated with museum educators to research and develop 3 new museum components regarding the periodic table of elements as part of a five-year plan for the update and renovation of the *How Does it Work?* Gallery

## LEADERSHIP EXPERIENCE

### Northwestern University Athletics

Evanston, IL

NCAA Division I Cheerleader

October 2019 – Present

- Represented Northwestern University at all home Football and Men's and Women's Basketball games and at relevant fan-related events throughout the academic year

### Northwestern University Student Health Advisory Committee

Evanston, IL

Student Health Advisor

April 2019 – April 2020

- Served as a liaison between Northwestern students and the University Health Service Administration by offering student input to University staff and increasing health awareness among the student population
- Collaborated with University Health Center staff and other undergraduate committee members on a monthly basis to discuss current health concerns and brainstorm how to better serve the student population

### Ayers Residential College of Commerce and Industry

Evanston, IL

Corporate Affairs Chair

March 2019 – March 2020

- Managed all business-related programming for Ayers Residential College and collaborated with other Executive Board members to organize both Wildcat Welcome and general school-year programming
- Planned and organized the Ayers CCI Business Symposium, an annual event that connects Ayers residents with a panel of professionals from various fields and offers residents exclusive educational and networking opportunities
